# Core mission NEREUS

Spreading use of space technologies at regional level

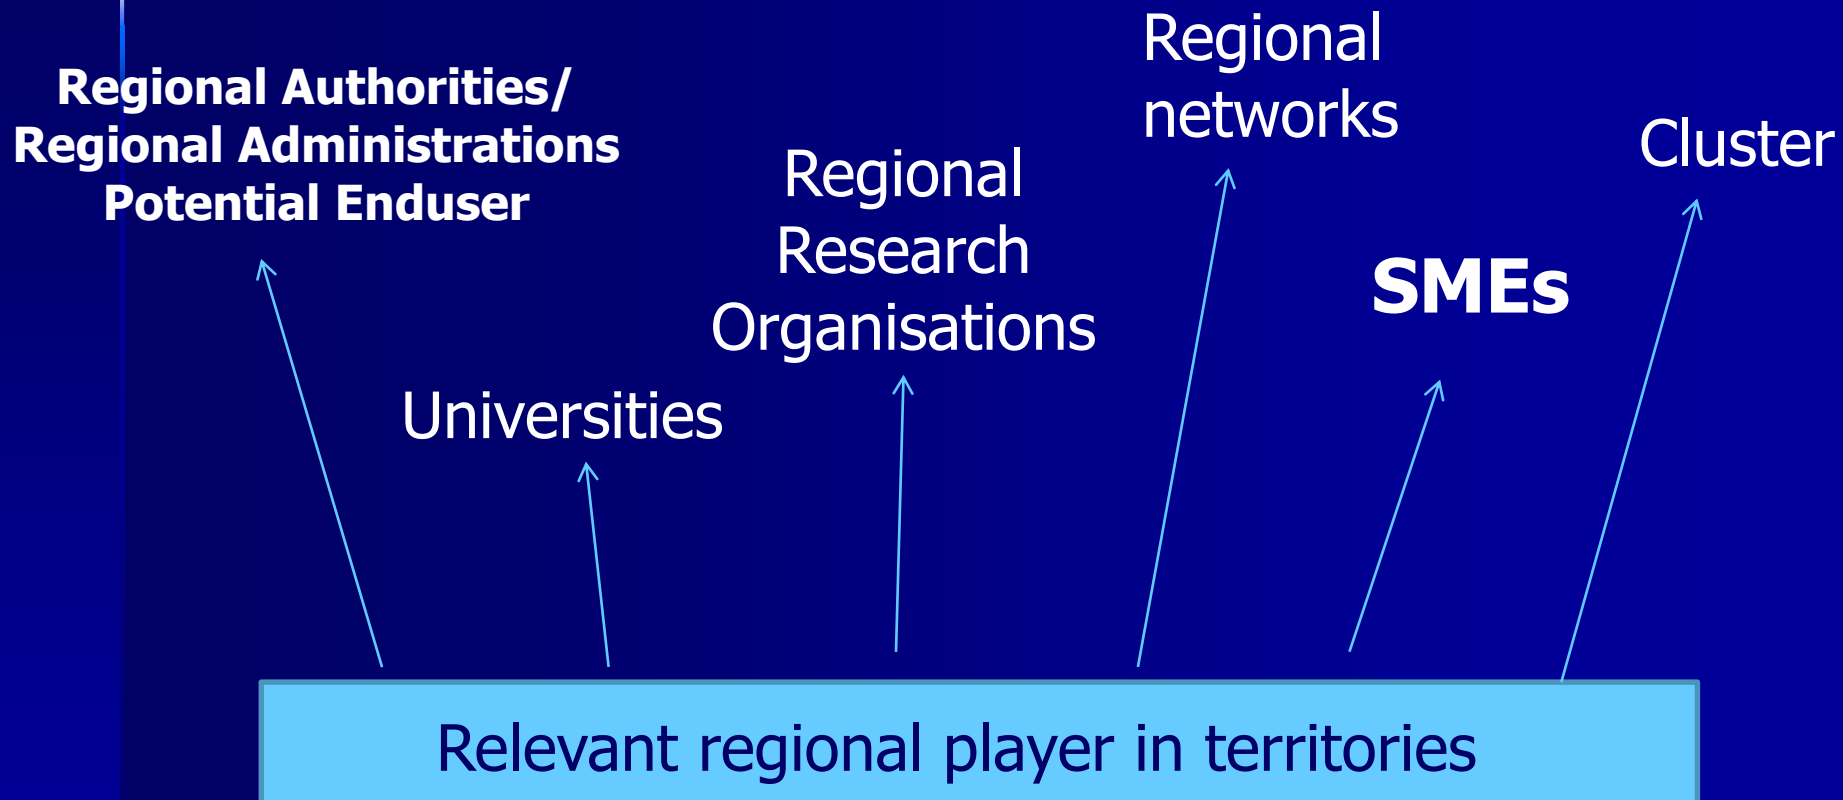

Stimulating the development of space  
applications

Awareness raising/Promotion for potential of space and  
its benefits for regions and their citizen

# What do we offer to regions?

# Different regional player in territory

# NEREUS offers a platform

Data from satellite imagery

Useful Information for  
people, companies and  
organisations

# NEREUS offers a platform

to link space uses with non-space domains:

- ⇒ Space & Development Cooperation
- ⇒ Space & Agriculture

# Space Uses & Development Cooperation

- Workshop on "Space Applications and Development Cooperation" on 8<sup>th</sup> December 2016 (Free Hanseatic City of Bremen, GIZ (Bremen branch) and NEREUS

Thank you for your  
attention
